The "Annual Travel Insurance Brochure" is attached & shows benefits & cost for 4 Annual Travel Insurance Plans available.

We recommend you purchase insurance when you place a " deposit " in case something comes up we can get your deposit back & it insures a year from start date of insurance.

If you purchase within 14 days of your initial trip deposit the insurance includes Pre-Existing Medical Condition insurance coverage.

Definition of "Pre-Existing Medical" condition means anything you (or a family member) have seen a Doctor for or changed a Prescription in last 120 days that causes your trip to be cancelled

The Insurance is USA & Worldwide Travel once 100 miles from home---covers travel for Cruises, Airfare Cancellations, Fishing Trips, Hunting Trips, Hotel Cancellations refunds, etc.

Below is cost "per year" per person : Make a trip everyday & no need to notify us.

Rates are "Flat Rates" on Annual Plans and not based on person's age as "Single Trips" are age based....typically 5% to 12% of trip cost depending on your age.

This \$3k plan differs from the \$5K & up Trip Cancellation Plans and has lower Medical,(\$20K Vs \$50K) Medevac,(\$100K Vs \$250K) No flight change fee coverage (\$500) or re deposit of airline mileage points up to \$500.
